

CMS First Aid Instructor Course # 1114

This is an instructor certification course for students who desire to be a certified First Aid Instructor under the Florida Criminal Justice and Standards Training Commission.

This course is based on the premise that the primary objective of the basic first recruit First Aid instructor is to teach recruits their responsibilities for safe and effective response to an emergency medical situation.

Instructor students will be responsible for preparing and presenting a minimum of a one-hour lesson from the CMS First Aid for Criminal Justice Officers Basic Recruit curriculum to include a practical exercise/scenario.
