

Law Enforcement Web Investigator

The TD-LEWI Certification is designed to give Law Enforcement investigators, analysts, and individuals a 5-day hands-on learning experience and the foundation they need to conduct Social Media, Dark Web, and Cryptocurrency investigations.

This course is essential for investigators who need to discover more effectively, collect, and authenticate evidence from online sources in their cases. To name a few, the learnings can be applied to gather actionable evidence during a homicide, rape, robbery, money laundering or human trafficking case.
