

Tactical De-escalation

This one-day training class will provide officers with the necessary tools to properly de-escalate a situation, while maintaining a tactical mindset. Officers will learn effective techniques for communicating under stress, without escalating a situation. Practical, classroom based scenarios will be presented to demonstrate these concepts. Information will also be presented on the development of reality-based, simmuniton training involving de-escalation techniques.

Lead Instructor

Larry Gordon started his career with the Dallas Police Department in 1995. In June of 1997 Larry was selected to be a part of the Dallas Police Department's Specialized Crime Unit. After several productive years with the Specialized Crime Unit, Larry transferred to the Narcotics Division. Larry was the lead Detective on countless narcotic investigations. His duties included, but not limited to, executing dynamic entry search warrants, conducting undercover drug buys and training new detectives that joined he unit.
